b. LIMS Development Effort: Interface Control Documents (ICDs) and chapters 1 and 2 of the Data Specification Document (DSD) were provided to Quality Assurance (QA) for preliminary audit. CTEC's preliminary audit of the ICD's showed no discrepancies with the Office of Data Processing (ODP) standards and, as a result, no discrepancies were produced. Work has continued on the Preliminary System Design Specification (PSDS) User Manual Outline, Hardware Requirements Document, Interface Control Documents and Requirements Traceability Matrix (RTM). Delivery of the Preliminary Drafts of these documents is scheduled for 20 January 1984.
